POWERED BY **Place**
MEDIA GROUP

mipim[®]

FROM STRONG FOUNDATIONS

In 2027, the North of England returns to MIPIM with real momentum - building on the success of our dedicated suite in the Palais to showcase opportunity, attract investment, and deliver greater impact for our partners and the North of England.

THE NORTH'S MOMENT IS NOW

The North of England has earned global attention.

Place Media Group brought the region to the forefront of the international property community at MIPIM 2026.

This coming year, we aim to go even further - with new events, increased branding opportunities, and enhanced networking receptions.

The North of England Suite provided a centralised hub for those who work - and want to work - in the North. It was where the world came together to learn about why towns and cities from Blackpool to East Riding of Yorkshire were worthy of investment.

We hosted Leaders, Mayors, and chief executives from Liverpool, Manchester, Salford, Newcastle, and more at our events, bringing in more than 600 attendees across the week.

The North has plenty to shout about - a £476bn economy, 16m residents, and

an undisputed expertise in defence, artificial intelligence, life sciences, green energy, and advanced manufacturing.

Our message is simple: The North is the future.

Join us in being part of that Northern growth story.

In the following pages, you will find a range of services and packages to meet your needs. Opportunities for speaking, exhibiting, and positioning your brand at the show are all provided.

What's more, partnering with Place Media Group makes MIPIM easy. We give structure to a busy week, guaranteeing touchpoints with senior figures from the public and private sector.

We look forward to helping you make the most out of your MIPIM 2027.

DINO MOUTSOPOULOS
